

Spring 2014

We appreciate your ongoing prayers & support in the privilege of serving Christ in His kingdom and harvest!

We need your help! The harvest field is great and workers (and supplies) are few! **We pray for your support both financially and by petition of prayers for our continuing in the Lord's Kingdom work.**

Please visit our website at afci.us or contact the office at 770-980-2020 for ways to help be an "Ambassador of Christ" with us.

Stan Hankins - Tabasco: That tiny bottle of special seasoning sits poised in your cabinet. At just the right time the key ingredient hits the spot! Such is the function of this ministry. With Biblical precedent and present effect, itinerant speakers compliment established ministries. Hence, I have recently been summoned by local churches, Theological Colleges, Para-Church organizations and more in states ranging from Indiana to Hawaii and in between. On continents spread from Europe to Asia and in between. I have served as preacher, teacher, counselor, and occasional singer. The precise function and value of a peculiar spice makes its mark! Abraham Liu –The Lord has led me to speak in dozens of churches and chapels in NC, GA, LA, and SC. He also made a way for me to return to China to share the Gospel and to work with the deaf churches in the US and in China to translate the Bible with Chinese Sign language into DVD. There are also plans to hold a crusade for the Gospel and help the local deaf church to reach the 60,000 deaf people in Hebei province. You see our Lord has HIS plan for His people and we all feel very honored and thankful to be a part of it. I thank you for your prayers and support. Carlos Guevara – I am serving the Lord in several prisons around Georgia on a daily basis and partnering with Heartbound Ministries in taking the Gospel into our prisons and into the Hispanic community too. My wife, Gladys, also ministers with me to women in the women's prisons of Pulaski and Arrendale State prison. Additionally, the Lord has provided opportunities for her to use her gifts to teach basic hair and sewing classes for the inmates' wives and others ladies in different cities. Praise the Lord for His favor in that!

Fiji – Dr. Narayan Nair – God has provided Vocational Training School for students from very poor families who can't afford training where we can present the Gospel to the students and give them skills so that they can provide for their families. Our Youth and Women's ministry is active and growing. The Lord has also enabled us to help in a Pastors and Leaders seminar with Reach International in Patna, India. The Lord is doing a mighty work in our midst and many people are coming to know the Lord as their personal Savior. I want to take this opportunity to thank you for your concerns and prayers for the loss of one of our buildings through fire. Thank you also for your prayers and support for the Lord's work here.

Fiji – Premend Choy - Here at College of Theology And Evangelism Fiji, for 40 years we have fulfilled Christ's commissioning call with discipleship and education . Currently, a total of 75 students are active. This ranges from the Certificate of Theology course to Masters of Arts in Biblical Studies. By God's enablement (through your gifts) the college continues to offer all courses free of charge!

Chhon Kong – Is new to our ministry and is called by the Lord to Cambodia for the “Equipping of God’s people to do His work.” Through hundreds of God’s people including children whom we minister to, we have been asked, “Will you help us know more about Jesus?” The question was validated by Matthew 9:37-38. In which Jesus said, “The harvest is plentiful but the workers are few.” In prayer, the Holy Spirit whispered that we are one of the workers...

Dan Rudman - We have been active with weekly grassroots ministry in the surrounding communities. It really is amazing to reflect on the God-given influence of a given week of meetings with students, ministry leaders, PhD educators, inmates, judicial and civic leaders, and business leaders. I also have been asked to give training and input to ministry leaders regarding culture, revival, apologetics, and evangelism. A number of men are having significant impacts on the State, University, and broader public discussions (NY Time best-selling author, policy decisions, staff of popular celebrities, Judicial, etc.). Pray for open doors!

Wallace Francis – Thank God for His grace to take the message of Christ in new doors of opportunities. I have begun a ministry called “Men After God’s Own Heart conference” which is designed for individual local churches to encourage and equip men to reach other men with the Gospel. Please pray God will move pastors to host this weekend conference at their local church. At Camp Pioneer in Pearl, Mississippi, we are gearing up for our five weeks of summer camps. Pray for our counselors and campers that we may have a fruitful ministry to the glory of God. Thank you for praying, and I thank God for your fellowship in the Gospel!

Joseph Tan – Southeast Asia - Thank you for your prayers and support that allow for our missions like our recent trip to Bangladesh for several seminars working in conjunction with World Vision and the Salvation Army. While travel was long and dangerous to get the places we were called to serve, it was well worth it to hear things like: “We are so glad and thankful to you and to our Almighty God what you have done for us and for our Bangladeshi people...” and “Thank God for giving this opportunity to attend the seminar on “Healthy Relationships.” This is the first ever seminar for our marriage and family...” “It was very interesting, exciting, and humorous...” “We enjoyed and laughed and laughed the whole time...” We also thank God for the opportunities for Joseph and Esther to preach, teach and lead in local Christian assemblies and conferences around the region. **Chris Mahon India** – continues to preach and share the Gospel in India.

Al Whittinghill – This year has been very busy beginning with our staff conference in January and consisting of significant travel to preaching and teaching in various churches, men’s conferences, retreats and prayer meetings. I have also had the blessing of helping my son and his family move to New Hampshire as he fulfills the Lord’s call for church planting in the New England area. I covet your prayers in doing the Lord’s work!

Cathy Kreis - The Lord has prompted my spirit with several delicious assignments. By His grace I healed nicely from two cataract surgeries, Next will be a Bible study trip to Israel—as I accompany my grandson, Robert. Following these are calls I received to teach at a revival in the Navajo Nation, to assist in planning conference in Dubai, and to serve and rejoice at a reunion in the South Pacific. Pray with me as I discern God’s best, and as He equips me to make the most of the time (Eph.5:15-17)!
