

Summer 2016

We appreciate your ongoing prayers & support in the privilege of serving Christ in His kingdom and harvest! We need your help! The harvest field is great and workers (and supplies) are few! **We pray for your support both financially and prayers for our continuing in the Lord's Kingdom work. Please visit our website at afci.us or contact the office at 770-980-2020 for ways to help be an "Ambassador of Christ" with us.**

Stan Hankins - In darkest days of the War, Winston Churchill rallied the British people, pledging to "fight on the beaches, fight in the hills" and beyond. Rousing rhetoric tallied nine venues where they would fiercely defend Democracy versus tyranny. Likewise, in itinerant speaking ministry, I too am on the front lines recapturing spiritual territory from the enemy. In recent months, I have preached in the pulpits, preached in the cities, preached in the villages, preached in the mountains and preached on the beach. I have taught in the seminaries, taught in Bible studies, led in workshops, trained in seminars, spoken in assemblies, spoken on radio, disciplined in coffee shops, and shared on a plane. We must never, never give up! Visit my BlogSpot at www.Hankolulu.blogspot.com

Chris Mohan – There are places where the Lord seems to take me repeatedly in order to minister the Word and call for commitments. 'Kodad' in Telengana State is one such city. I also ministered in 'Chirala', where 'The Gospel Band' organized their 'Annual Spiritual Life Conference' along with public Gospel Meetings. Morning study sessions saw 500 members and pastors from 50 village Churches. Evening Public Gospel Meetings were attended by about 1000-1200 including many non-Christians. By the Lord's touch, several responded to the altar calls publicly. The Lord also gave me the opportunity to preach in different churches in Bangalore. Several openly responded to the altar call. Glory to His Name! Koramangala Methodist Church in Bangalore, invited me to conduct 6 Bible studies for Methodist Men. Apart from these, the Lord has been opening doors for preaching in different Churches in Bangalore. We thank the Lord for you our partners to do what we do!

Fiji – Dr. Narayan Nair & Premed Choy– We have so much going on at our Fiji College of Evangelism and Training and our ministry here. We praise God for what is happening in our college and church plant on the Island, Johnson Bible Church. WE thank Him for safety in the storms. Our latest event was The Pastors and Christian Workers Continuing Education conference with a mission to provide opportunity for Christian Workers in Fiji to be challenged in their commitment to biblical ministry so that they could follow our Chief Shepherd in godly Christian Leadership. The teaching seems to have been received well. Please pray that the conference attendees would resolve to put to practice the truths learned.

Mack Tomlinson - Greetings in the name of our Lord and Savior Jesus Christ. So far this year, we have seen the Lord at work in various ways in various places. I have had a preaching and teaching ministry in churches and conferences in the Midwest and the south. Then had a longer trip to Missouri, preaching in five churches in Hannibal, Hillsboro, Sedalia, Columbia, and Kirksville. Returning home to Denton, I had to get ready for our annual Fellowship conference, which is always held on Easter, where we had close to 1000 people from 12 countries and 20 US states. It was three days of rich preaching, prayer, and real fellowship with hungry believers. I then returned to St. Louis for five days of ministry, and recently preached at Grace Life Church in Dallas. I have also had ministry in New England, preaching in Portland, Maine. I praise the Lord for the wonderful privilege of preaching Christ in various places in an increasingly needy and dark nation. May God give us all grace to continue to be faithful. Grace and peace to you all in our Lord Jesus Christ!

Abraham Liu - As missionaries with Bridge for Hope ministry, we are in China now for BFH summer English mission camps in China with 7 teachers from the US. We understand that our HOPE of life is found in Christ, and HE called us to go to help the many, many lost Chinese families to find HOPE for their life. Therefore, with a thankful heart, we will obey our Lord and commit ourselves to this mission for the wonderful saving Love of Christ, with which we will outreach to those the Lord has prepared for us to meet on the other side of the Earth--CHINA through HIS blessed sweet Holy Spirit. Wow, what an honor!

Dan Rudman - We wrapped up our spring with ongoing presence here in our community; Men's studies, mentoring evangelistic college leaders, weekly relationships, the jail, youth camp evangelism. In April, Hani Mussad (M.Div. Ph.D- Islamic Studies), Egyptian/Sudanese AFCI comrade came to Lawrence to bring us the Word in many diverse settings, as well as teaching on Islamic Theology. Our time developed into an invitation for me to travel with Hani this summer and AFCI Ethiopian Evangelist Shifferaw Feyissa to teach Evangelism / Apologetics / church-Planting to 300 Evangelists/pastors at two AFCI Conferences in Ethiopia. I also have a two week trip to Michigan preaching, meeting with a mission's team, and meeting with numerous friends of the ministry. Tina and I are finding a few days for typical summer refreshment. We are set for a very busy fall schedule with various travels ministering the Word. I have the privilege of being on an Ordination Board, ministering again in North Dakota at a Men's Retreat and campus ministry, and a weekend Evangelistic Retreat for 200+ students from a several different campuses in Missouri and Kansas. Pray for us as we ride this current wave of God calling on us to take His Word far and wide!

Wallace Francis – Many blessed opportunities to preach and teach in churches all over the US and work with the youth. I thank God for you and your faithful prayer and support this first half of the year. God has given us many opportunities to preach Christ in various places; and see and hear of sinners converted and saints encouraged in their growth in grace and knowledge of our Lord Jesus Christ. We have had meetings in Georgia, Florida, Mississippi, Louisiana, North Carolina, South Carolina, North Dakota, and Minnesota. The Lord has opened many new doors of opportunities and I give thanks for the great privilege to serve Him and those in whom He sends us to for Jesus' sake. I thank God for you and for your faithful fellowship in the gospel of the grace of God.

Jay Orvis – We continue 4 local weekly Bible studies in the area and have added two by Skype: one in Philadelphia, and one in Egypt. Working to re-establish contact w an Algerian whom we first met when he was a student at University of Bridgeport in Connecticut. We are in touch w his US citizen son in Colorado. Plans for 6 weeks northeast India ministry this fall continue, to Assam, Nagaland and western Arunachal Pradesh (a strong Buddhist area w VERY few Christians - delicate situation) which touches Bhutan, China and Myanmar. Also anticipate one week again with Naga Christian Fellowship in New Delhi, a church largely comprised of Naga students from Universities mostly in North Delhi. Thank you greatly for prayers and support!

Al Whittinghill – The last several months have been very blessed seeing people encouraged in the Lord and hearts becoming freshly awake to the power of the Word of God. Thank you for praying for us as we have been privileged to take His Truth into churches and many different types of situations. Last month I was privileged to travel to Myanmar to participate in two pastors' conferences in two different cities. In each location about two thirds of the pastors from through the area came and participated in the all-day conferences. It is very thrilling to see these pastors from many different groups gathering together in a desire to see the Lord do a significant work in their nation. They told me that the gathering was the first of its kind in the history of the country. Please pray for them as they pray and work together to lay the ground work for a "Festival" with the BGEA in two of their cities in the next year. This is a very blessed open door for the Gospel in that nation. In the coming days we will be involved in preaching in NY, New England, Texas and GA. Your prayers are greatly appreciated!

Cathy Kreis – Once again, the Lord has me in Italy this summer and enjoying the culture that has so impacted the world—I'll go where He leads and get acquainted with neighbors, renew friendships, explore the region, relax, work on a writing project (or two... or none?) and be ready and eager to encourage or help wherever a need may develop in that location or elsewhere (Matthew 5:13-16; 2 Chronicles 16:9). Reveal Your plan, Lord, and bring people along my path!
