

During This Season – Wallace Francis

We are nearing the holiday season, one of the busiest times of the year. Many people are shopping, looking for the perfect gift for loved ones and special people in their lives. Some are seeking to get the best buy, and looking to find the great sale bargains that are being advertised...

The Malls are full, and highways are crowded with cars as we get closer to Christmas Day. Some people choose to avoid the mad rush as much as possible, but reluctantly they must venture out to take care of some basic needs. They will all probably hear the song, "Tis the season to be jolly, fa-la-la-la-la...."

In a spiritual sense we are nearing the coming of our Lord Jesus Christ, who has come once to "...save his people from their sins..." and will come again for his saints, but also "...the Lord Jesus shall be revealed from heaven with his angels, in flaming fire taking vengeance on them that know not God, and obey not the gospel of our Lord Jesus Christ." 2 Thessalonians 1:7. We must, therefore, be busy seeking to make sure that we are taking advantage of every opportunity to get the message to those who need this gift, which God has provided for the nations.

The "Nations have come to America." Many are seeking that perfect life and opportunity that they hope to find in America. I am sure all of us would agree that without a doubt, God has blessed America; and the greatest blessing God has given to America is the same great blessing He has for the whole world. "For God so loved the world, that He gave His only begotten Son, that whosoever believes in him should not perish, but have everlasting life." Jesus: God's gift for the nations.

Thank you for praying and giving. It is only through your participation with us, and by the grace of God, that we are able to take advantage of the opportunities in these last days to fulfill the USA vision: "Impacting the Church in our Nation...and Reaching the Nations within our Nation." I ask that you would pray about a special gift this Christmas season to this ministry as we continue to offer to the nations "Jesus the King most Wonderful."

Looking unto Jesus,
Wallace Francis
